Schering-Plough sponsors 'The Shield'

Dear [REDACTED]

b6
b7c

Let's continue our campaign against *The Shield* on FX!

The January 6 episode of *The Shield* focused on the relationship between Police Detective Vic Mackey (the series hero) and a drug dealer he protects. **The language is, again, atrocious.**

Schering-Plough promoted its product, Coricidin, several times as a sponsor of this vile show.

Send your letter now!

Sincerely,
